9 December 1983

Mr. Frank Layne  
Assistant to the Director  
Information Policy and Security Review  
National Security Council  
Washington, D.C. 20506

Dear Mr. Layne:

We have completed our review of the documents forwarded to us by the National Security Council in response to the CBS, Inc. subpoena of Lyndon B. Johnson Library documents. Our review decision for each document is enclosed.

Releasing authority is deferred to the National Security Agency (NSA) on certain documents. It is our opinion that these documents should be coordinated with NSA as they contain information that NSA protects. We are also returning your F83-891 addressed to NSA that was sent to us in error.

If you have any questions, please contact me or [redacted]
